

Spinal Manipulation Institute

American Academy of Manipulative Therapy

Certificate of Attendance

This is to certify that

See below an example showing documentation of CEUs pertaining to Category 2 - 2A #1 and/or Category 2 - 2A #2

has attended and participated in the continuing education course

SMT-1: High-Velocity Low-Amplitude Thrust Manipulation of Cervical, Thoracic, Lumbar & SI Joint

Children's Hospital of Wisconsin
Milwaukee, WI

Location

September 28-29, 2019

Date

15

Contact hours

Course Approval Number:

James Dunning, P.T.
James R. Dunning, PT, PhD, OPT, MSPT
MSc Manip Ther, FAAOMPT, MMACP (UK)
President, Spinal Manipulation Institute™

The Federation of State Boards of Physical Therapy (FSBPT/ProCert), TPTA and BOC have approved this course. Spinal Manipulation Institute (BOC AP# P10112) is approved by the Board of Certification to provide continuing education to Athletic Trainers. This program is eligible for a maximum of 15 Category A hours/CEUs.

Spinal Manipulation Institute

American Academy of Manipulative Therapy™

SMT-1: HVLA Thrust Manipulation of the Cervical, Thoracic, Lumbar & SI Joints

15 Contact Hours

6 CEUs - Category 2 - 2A #1

Remaining 9 CEUs - Category 2 - 2A #2

DAY ONE COURSE SCHEDULE

7:45 am	Sign-in	
8:00	Indications, Precautions and Contra-indications for the use of HVLA Thrust	1 CEU Category 2- 2A #1
9:00	Cervical (C2-7) Rotatory HVLA Thrust Manipulation Technique	1 CEU Category 2 - 2A #1
10:00	Break	
10:15	Cervicothoracic Junction (C7-T3) HVLA Thrust Manipulation Technique	
11:00	Evidence-Based Diagnosis and Management of Cervicogenic Headaches	1 CEU Category 2 - 2A #1
12:00 pm	Lunch (on own)	
1:00	Upper Cervical HVLA Thrust Manipulation of Atlanto-Axial (C1-2) Joint	1 CEU Category 2 - 2A #1
2:00	Evidence for Use of HVLA Thrust Manipulation in Acute and Chronic LBP	
3:00	Break	
3:15	Mamillary Process Rotatory HVLA Thrust (L2-5) with Body Drop Manipulation	
4:00	1st Rib HVLA Thrust Manipulation	
4:30	2nd & 3rd Rib HVLA Thrust Manipulation	
5:00	Conclusion of Day One	

DAY TWO COURSE SCHEDULE

7:45 am	Sign-in	
8:00	Upper Thoracic (T1-T3) HVLA Thrust Manipulation Technique	
9:00	Cervical (C2-7) Lateral-Flexion HVLA Thrust Manipulation Technique	1 CEU Category 2 - 2A #1
10:00	Break	
10:15	Lumbo-Sacral Junction (L5/S1) HVLA Thrust with Sacral & Forearm Body Drop	
11:00	Mid-Thoracic (T4-9) HVLA Thrust Manipulation Technique	
12:00 pm	Lunch (on own)	
1:00	Upper Cervical HVLA Thrust Manipulation of Occipito-Atlantal (C0-C1) Joint	1 CEU Category 2 - 2A #1
2:00	Evidence-Based Diagnosis of Sacro-Iliac Joint Dysfunction	
3:00	Break	
3:15	Sacro-Iliac Joint HVLA Thrust with Body Drop Manipulation Technique	
4:00	Thoraco-Lumbar Junction (T11-L1) HVLA Thrust Manipulation Technique	
5:00	Conclusion of Course & Issue of Certificates
